**Other Intensive Services – Pre-Vocational Skills
POLICY #: 520**

Date of Original Policy:
Effective Date: 1/1/04

Date of Current Revision: 1/1/04

POLICY:

Washington State WIA Policy #3655 indicates that according to verbal instructions from the U.S. Department of Labor in January 2001, if a WDC can defend their position on further defining prevocational skills, the WDC may want to further define prevocational intensive services to include short-term or low cost preparatory training lasting less than a week or at a cost of \$500 or less as an intensive service not to be funded through an ITA award. The Southwest Washington Workforce Development Council has adopted the above further definition of pre-vocational services.
