**TECHNICAL ASSISTANCE MEMO #11**

---

---

**DATE:** JUNE 21, 2011  
**TO:** ARRA, 5809, ARRA 5%, AND ARRA GOVERNOR'S 10% PROVIDERS  
**FROM:** AMY GIMLIN, SWWDC PROGRAM MANAGER  
**RE:** EXITING ARRA PARTICIPANTS BY JUNE 30TH

---

The following programs end June 30, 2011 and all participants enrolled in these programs must be exited in SKIES:

- SB 5809
- American Recovery Reinvestment Act (ARRA) Adult and Dislocated Worker
- American Recovery Reinvestment Act 5%
- American Recovery Reinvestment Act Governor's 10%

When exiting participants, confirm all ARRA program (as listed above) associated services are closed and use appropriate exit outcome (i.e., Placement, Returning to School).

If a participant can benefit from continued services beyond June 30, 2011, s/he may be co-enrolled into WIA Adult or Dislocated Worker. If this is the case, the participant should be exited from ARRA associated program using Employability Enhancement as the outcome. You must also enter ARRA program name in the comments section of the Program Enrollment Screen, for example, "SB 5809".

Please be aware that ARRA participants that are "transferred" into WIA formula will continue to be tracked for performance results. We expect participants will receive the full level of services and resources needed to achieve success, regardless of the ending of ARRA funding.
